AMBASSADOR (CASP Volunteer you are supporting) \_

I am very excited to be part of the Cohasset Appalachia Service Project (CASP). Every year CASP sends volunteers to the poorest areas of our country to build and repair homes.

From June 29th to July 7th of next year, almost 150 people will be traveling with me to the Appalachian region. While the projects we will be doing may vary, the goal is to provide warmer, safer and drier homes for the families we serve. This project involves 10 months of preparation, study, fundraising and workshops to help us in our ability to serve.

By supporting me and my efforts through the purchase of stocks, you will be helping to buy supplies that will be used to install plumbing fixtures, paint a room, insulate a home, repair a foundation, or make a house dry by re-shingling a leaky roof.

If you would like to join me in this cause, please see the Stock Form on the flip side of this letter. I've also enclosed a self-addressed envelope to mail your donation.

Simply visit www.CohassetASP.org and click on DONATE. You will be taken to a special website where you can select the volunteer you'd like to support and how much stock you'd like to purchase.
